The Woodmen Heights Metropolitan District No. 2 is hosting a public meeting to provide an update on the Aspen Meadows Park.

We are excited to be wrapping up the design process and working to obtain approval from the City Parks & Recreation Department.

- The current design incorporates open space, trails, a sports court, a bike track, large playground areas, a dog park, and shade structures.
- This public meeting will provide local residents the opportunity to hear information regarding the site, design concepts, and amenities.

For additional information and to view the updated design, visit the *Aspen Meadows Park* page on the District website:

If you are unable to join us on March 28th, we encourage you to visit the District website to learn more about this coming amenity! Updates will be posted on the District website as they become available.
